

Liquid Oven Cleaner

Designed for use in liquid injection self-cleaning ovens, this high-strength cleaner keeps your oven spotless and running efficiently. Paired with the automatic self-cleaning feature on Alto-Shaam Combitherm® and self-cleaning rotisserie ovens, liquid oven cleaner eliminates labor costs associated with manual cleaning – and extends equipment lifetime.

Product Details

- Powerful formula cuts through grease, heavy soil, carbon and other cooking debris that builds up during the cooking process
- Approved for use on Alto-Shaam self-cleaning ovens
 - CT PROformance™ Combitherm ovens and self-cleaning rotisserie ovens
- 2.5 Gallon container
- Made in the USA
- Ideal cleaner for use with frequent chicken cooking applications including pieces, whole chicken, and rotisserie style chicken
- Eliminate the need for manual oven cleaning
- Simply attach the liquid cleaner container and insert the dispensing hose
- Liquid container connects with a standard twist cap fitting, eliminating employee exposure to caustic chemicals or need for personal protective equipment (PPE)
